

EANES

ORCHESTRA

EANES ORCHESTRA PARENTS ASSOCIATION

Supporting Eanes Orchestra Students
since 1991

PURPOSE

The Eanes Orchestra Parents Association (EOPA) serves as the official booster club for the orchestra programs within Eanes ISD. As a registered 501(c)(3) nonprofit organization, we are honored to receive tax-deductible donations that support supplemental instruction and expanded performance opportunities for our students. Through a wide range of events and initiatives, EOPA remains committed to enriching students' musical experiences and cultivating a strong sense of pride in being part of the Eanes Orchestra community.

Our support extends to a variety of essential expenses that elevate both the educational and performance aspects of the program. These include funding for professional clinicians, the maintenance and replacement of instruments, transportation of equipment for off-site performances, meals for rehearsals and group events, and other impactful opportunities that benefit orchestra students at both the middle and high school levels.

KEY ACTIVITIES

Newsletters and Website

Regular communication to keep orchestra families informed about events, updates, and student achievements.

Fundraising Initiatives

Football game parking lot sales
Football concession stand operations
Nutcracker performance concessions

Student Support

Providing meals during extended rehearsals and special events
Assisting with costs for travel and performances
Supporting enrichment opportunities through guest clinicians
Funding instrument purchases and maintenance

Event Coordination

Planning and preparation of the annual orchestra Banquet
Assistance with camp, concerts, festivals, and other key performances

FUTURE GOALS

Sustaining Excellence in Fine Arts by Supporting Our Directors

Our students not only excel academically but also take on leadership roles in various activities. With over 400 students across three campuses, our directors and teachers do remarkable work. As a supportive parent group, we are committed to backing them and advocating for the resources needed to grow the program and take it to the next level.

FAMILY GIVING CAMPAIGN

Each Fall, EOPA launches our annual Family Giving Campaign to support orchestra students at West Ridge, Hill Country and Westlake.

Our goal is simple: every orchestra family participates at a level that works for them. Every gift matters, and together our families can make a tremendous impact.

The school with the most donor participation is crowned the EOPA Donor Winner and receives a special surprise made for students. Be on the lookout to share this fundraiser with your family, friends and others in our music communities to support the Eanes orchestra program.

EANES ORCHESTRA HIGHLIGHTS

- Summer Blast Off Camps: Engaging new and returning students to kick off the season
- Team Building Events: Activities such as bowling, concert outings, and ice cream socials that help strengthen student bonds across all three campuses as part of the unified Eanes Orchestra program
- TMEA Orchestra Region, All States, UIL Orchestra
- Eanes Orchestra String Festival
- Halloween Concert, Nosferatu-Film Concert
- Nutcracker Performance: High school students' holiday production in December
- Middle School Trips: Performance and educational trip to San Antonio
- Disney Trip: Special trip for WRMS students combining fun and music education
